

Specialized Security Liability Protection

Why ProFinity

As an appointed underwriter of **HELP** (Hostile Environment Liability Protection), ProFinity offers liability coverage for security firms, engineering and construction companies, and other professionals working domestically or in hostile territories. Enjoy direct access to a proven Lloyd's underwriter who delivers same-day service.

HELP is written on A-rated Lloyd's paper and delivers robust, affirmative coverage to protect you from potential liability arising out of these high-risk exposures. Policyholders benefit from the support of 24/7 emergency response and crisis-management services. **HELP** will also contribute to the cost of risk-mitigation services for its insureds.

ProFinity is committed to efficiency without compromising quality.
