

Manu Pro: Manufacturers Professional Liability

Why ProFinity

ProFinity Insurance Services offers a full-service E&S professional liability solution for component and end-product manufacturers. Enjoy direct access to proven Lloyd's underwriters who deliver same-day service.

Written on A-rated paper, our program delivers breadth, flexibility and expertise in a streamlined fashion that is unique to the industry. And should a claim arise, you can rest assured it will be handled proficiently by agents who are best in class in their field.

ProFinity is committed to efficiency without compromising quality.

Target Clients

Widget/Component Manufacturers:

- Usually simple, highly replicated products
- Tend to go into other products or systems (e.g., nuts, bolts, clips, brackets, etc.)

End-product Manufacturers:

- Usually "low-engineered," replicated products
- Can be stand-alone products or component parts (e.g., pumps, simple machines, fans, etc.)

Limits, Premium & Availability

- Up to \$10M limits on a primary basis
- Up to \$15M limits on an excess basis
- \$3,500 minimum premium
- Available to risks in all 50 states

Coverage Highlights

- Broad professional-services definition that includes design, manufacture, installation and training
- Practice or project/client-specific options available
- Built-in coverage for:
 - Pollution
 - Media/advertising
 - First and third-party cyber
- Worldwide territory

Submission Requirements

- ProFinity application or industry-standard equivalent
- Other information, if necessary, requested upon submission
